

Ad de Jongh and Suzy Matthijssen (Netherlands) train on EMDR 2.0. and treating complex trauma with EMDR therapy

Time of training: Mon-Tues 9-10. September 2024

Training location: Linnateatteri auditorium, Puutarhakatu 8 (Maalaistentalo), Turku, Finland.

Tentative schedule: Registration on Monday, September 9. from 9:00 a.m. to 9:30 a.m.
Lectures Mon 9.9. from 9:30 a.m. to 5:30 p.m. and Tue 10.9. from 9:30 a.m. to 5:00 p.m.

Ad de Jongh and Suzy Matthijssen are psychologists from the Netherlands known as innovative developers and researchers in the fields of trauma therapy and EMDR therapy. In this training, the first day focuses on the introduction of EMDR 2.0, where

the principles of the standard protocol have been developed especially in light of the knowledge related to the effects of working memory loading. The second day will focus on the use of EMDR in the treatment of complex patients.

The training is intended for all EMDR therapists (level I completed). It takes place as a live event only. The teaching language is English and the entire training is interpreted into Finnish, the interpreter is Kimmo Absetz.

The price of the training is 850 EUR (2 days, includes VAT 25.5%) and 450 EUR (1 day, includes VAT 25.5%). The price includes coffee/tea service both in the morning and in the afternoon. - Registration via Memodria Oy's website (address www.memodria.fi) or to e-mail address yhteys.memodria@gmail.com. - The registration period ends on August 9, 2024, and cancellations made after the end of the registration period will be charged 50% of the total price. If the cancellation is not made 7 days before the start of the training, the full training fee will be charged.
